Village: Razamara, Moheshpur (3560), Barura, Cumilla, Bangladesh | [LinkedIn](#)

## Objective

Computer Science professional, skilled in MERN stack development and programming education. Interested in growth and advancement in innovative educational or software development environments. Proficient in graphics, IT, ERP/Odd Systems, and ICT, with a strong passion for solving coding challenges and learning new technologies.

## WORK EXPERIENCE

### Daffodil International Professional Training Institute (DIPTI)

#### MERN Stack Developer (Part-time)

4/2, Daffodil Plaza, Sobhanbagh Mirpur Rd

March 2025 - Present

##### Responsibility

Teaching front-end development with React, building hands-on projects, mentoring students, designing curriculum, assessing performance, collaborating with faculty, and integrating modern front-end trends into practical training.

### Daffodil Technical Institute

#### Computer Instructor

43/R/5-B, Indira Road, Panthapath, Dhaka

Oct 2024 - Present

##### Responsibility

Teaching MERN stack with hands-on full-stack projects, mentoring students, designing industry-aligned curriculum, assessing performance, collaborating with faculty, and integrating modern MERN trends into practical training.

### Core Devs

#### MERN Stack Developer

House 1041, Avenue 09, Mirpur DOHS Mirpur-12, Dhaka-1216

Jan 2024 - Jul 2024

##### Responsibility

Working with the MERN stack by designing MongoDB databases, building RESTful APIs with Express.js, creating responsive user interfaces using React, and developing scalable server-side applications with Node.js. Managing version control with Git, deploying applications on cloud platforms, writing tests, debugging code, and collaborating in Agile teams to ensure high-quality software development.

### Japan Bangladesh expert Consultants

#### IT & Client Relations Executive

Road-13 House-2, Gulshan Model Town, Gulshan, Dhaka 1212

Jan 2020 - Dec 2023

##### Responsibility

Managed IT systems and software to ensure smooth operations, provided technical support, maintained websites, and assisted clients with travel planning, visas, and consultancy services. Coordinated between IT and operations, improved workflows, ensured data security, performed backups, and monitored platform performance.

## EDUCATION

### EASTERN UNIVERSITY

*B.Sc. Engg. (Computer Science)*

**Passing year -2023**

*Ashulia Model Town Khagan, Birulia, Savar, Dhaka*

### CUMILLA POLYTECHNIC INSTITUTE

*Diploma in Computer Technology*

**Passing year -2018**

*3503 Cumilla - Kotbari Rd, Cumilla*

### MOHESHPUR AZIZIA HIGH SCHOOL

**SSC(Science)**

**Passing year -2014**

*Moheshpur, Barura, Cumilla*

## CERTIFICATION, SKILL, LANGUAGE & INTERESTS

- **Certification:** Cloud (BTOPSE) Basis; Duke of Edinburgh leader (Award Leaders); Programming Hero (MERN Stack Developer); PUM (Innovation & Entrepreneurship); 21st century Employability Skills (Employability Skills);
- **Skill:** Cloud Computing; Web Development; Problem Solving; Team Collaboration; Version Control (Git); C++; Agile Methodologies; Microservices Architecture; Software Development Life Cycle (SDLC); HTML; CSS; Tailwind CSS; JAVASCRIPT; REACT; Rest API; Node.js; Express JS; JWT; MONGODB; CCNA, COMPUTER GRAPHICS; Microsoft Word ; Microsoft PowerPoint; Develop software prototype; Nodemon; node.js; Microsoft Excel ; Team-work oriented ; Responsibility ; Good listener and communicator ; Zoom ; Google Docs ; Gmail ; Organizational and planning skills ;Critical thinking ;software design patterns ;Decision-making
- **Language:** Bangla; English
- **Interests:** Travel; Senior Full-stack Developer; Leadership; Teaching; Enjoy solving coding challenges and exploring new technologies

## PROJECTS

### Car Service

Implemented authentication using Firebase and developed an admin dashboard. Used Styled Components for styling, implemented Dark and Light mode, and applied DaisyUI theming with Tailwind CSS. Integrated TanStack Query for data fetching and used React Hook Form for contact, login, and signup forms.

Technologies: HTML5 || CSS3 || Tailwind || Daisy UI || React JS || Firebase || ES6 || Node JS || MongoDB || Express

### knowledge Cafe

Data API Store.

Technologies: Tailwind || Styled Component || React JS || Firebase || ES6 || NodeJS || MongoDB || Express

### Bistro-Restaurant

Restaurant all services single page application built using React Router. Implemented authentication system using Firebase. Created a backend server using Node.js. Used MongoDB database and implemented full CRUD operations.

Technologies: Tailwind || React JS || Firebase || ES6 || Node JS || MongoDB || Express

## Declaration

---

I hereby declare that all the information provided in this CV is true and correct to the best of my knowledge.
